The background of the slide is a large, high-angle photograph of a massive crowd of people, likely students, gathered on a paved area. Many people are holding flags, and the atmosphere appears to be one of a large-scale event or festival. The image is faded to allow the text to stand out.

In ESN we...

- ✱ work in the interest of international students
- ✱ work to improve the social and practical integration of international students
- ✱ represent the needs and rights of international students on the local, national, and international level
