What are we doing...

- Defend the interests of students of KTU by collecting YOUR opinion and presenting it to the administration and faculty students' associations.
- Consult students on academic processes (modules, schedules, teachers) and social matters (dormitories, scholarships & various other activities/events).

Vision, mission and values

- Every KTU student is an active and creating citizen, responsible leader of society.
- Caring about students' interests and cooperating with the University's community and its external partners, KTU SA initiates changes that promote improvement, tolerant environment, equality and full self-expression.
- Responsibility, Leadership, Community, Initiative, Honesty, Openness.

Welcome week

- 7th of September – Panel discussions with public and business figures;
- Short excursions in the faculties and students camp will be guided together with KTU ESN after the quarantine.

International students' affairs (ISA)

- Solving misunderstandings or issues for you in Academic and Social Aspects.
- Helping you interact with local students and help you participate in University Activities.
- Consulting you regarding any issue concerning University , i.e. Scholarships, Opportunities, Rules, Discrimination, Academic Problems and many more.
- Providing information for you about Erasmus+ projects.
