# Using library catalogue

## In the library catalogue

- search for books and other publications;
- order books;
- check user information;
- check if the books is available for borrowing;
- use full-text documents.

[Catalogue](#)

## How to get the book you have ordered

- After reservation, you will receive a notification via e-mail.
- When you order a book in the Library Catalogue, you should visit the library where the book is located.
- Reservation of an item is valid for 3 workdays. Later it will be canceled.

# KTU Virtual library

The screenshot shows the KTU Virtual Library website. The browser address bar displays [https://vb.ktu.edu/primo-explore/search?vid=KTU&lang=en\\_US](https://vb.ktu.edu/primo-explore/search?vid=KTU&lang=en_US). The header features the KTU logo (Kaunas University of Technology, 1922) and navigation links: New Search, Help, Tags, eJournals, and a menu icon. There are also icons for a mobile app, a push notification, and a 'Sign in' button. Below the header is a large search bar with the placeholder text 'Search anything'. To the right of the search bar is a dropdown menu labeled 'Library and Other Resources' and a magnifying glass icon. Further right is a link to 'ADVANCED SEARCH'. The main content area is divided into several sections: 'About KTU virtual library (KTU VL)' which describes it as an integral search engine; 'To search – sign in' which lists benefits for signed-in users (booking items, marking results, email notifications, e-shelf, and accessing subscribed resources) and mentions single sign-on; 'KTU VL on your device' which provides a short link [vb.ktu.edu/en](https://vb.ktu.edu/en); 'VB Help' with a link to read more about the new interface; and 'Notices' with a link to questions.

- Library catalogue,
- KTU Science publications database,
- subscribed databases and other resources.

[vb.ktu.edu](https://vb.ktu.edu)

The screenshot shows the KTU Library website. The header includes the KTU logo (1922) and navigation links for admissions, students, business, and my KTU. A secondary navigation bar lists resources, services, research, studies, about library, and help. Below this is a breadcrumb trail: KTU > Library > Databases. A large banner image with the text "DATABASES" and "Library subscribes to various databases available to all KTU members." is displayed. Below the banner, the section "Subscribed databases and catalogues" is visible. On the left, a sidebar menu lists: Databases, Free Resources on COVID-19, Free trial databases, Reference management tools, Information for users, Catalogue, and Virtual library. The main content area shows a button "Databases according to topics" and a section "Databases and descriptions according to the alphabet" with a sub-section "A". Under "A", two databases are listed: "Academic Complete (Ebook Central, Ebrary)" and "Academic Search Complete (EBSCO Publishing)".

*Web of Science, Journal Citation Reports*

- **bibliography management tools**

*RefWorks, EndNote*

# Information for database users

## Users are allowed

- Use electronic resources for studies or research without infringing on copyright laws;
- use electronic resources (download/print/copy to an external hard drive) only for personal usage and in small quantities.

## Users are not allowed

- use software that allows to download and save information on the computer;
- upload the information from subscribed databases on the internet; share the information with the third parties or use the information for commercial purposes.

The access to the subscribed databases is available through KTU computer networks. If you want to use databases at home, you can choose among the following:

- [VPN network](#). (Virtual Private Network) is a network service that allows KTU employees and students to log into University's computers. You can find information on how to install VPN [here](#).
- [Remote access \(EZproxy\)](#). Using remote access, KTU members can log in using a unanimous username and password.
- [KTU Virtual library](#).
