*Faculty of Electrical and Electronics Engineering*

February 1, 11 AM - Studentų g. 48, room 231

*Faculty of Chemical Technology*

February 2, 11 AM - Radvilėnų pl. 19 C, room 236

## During the meeting with your faculty coordinator

- You will discuss your study plan and the schedule
- Any changes to the study plan can be made until 15 of February.
- If you will fail to remove some of the subjects and you will not attend them, they might still appear in your Transcript of Records at the end of the semester.

## Certificate of arrival/certificate of attendance

- A document provided by your home university
- Send the electronic version to [monika.kacenauskiene@ktu.lt](mailto:monika.kacenauskiene@ktu.lt) or [incoming@ktu.lt](mailto:incoming@ktu.lt)
- If you need an original copy, please arrange a meeting

### Certificate of departure

- The second part of the same document or a new form called Certificate of departure is signed at the end of the semester.
- At the end you will also receive a Transcript of Records with all of your grades.

## Connection to KTU systems

- The username and password which you have created for the dormitory reservation system will be used onwards.
- You will receive all of the exclusive rights to the university systems like Moodle, KTU e-mail and the Academic system once you will be officially enrolled.
- The rights should become available until the 1<sup>st</sup> of February.
- You do not need to do anything about it.

# ISIC card

## IF YOU HAVE NOT ORDERED THE CARD YET.

- Visit travel agency Zigzag, situated at E. Ožeškienės g. 27 and get the card made right away.

## Public transport

With an ISIC you can get 80% discount for electronic bus tickets.

There is two types of electronic bus tickets you can get: by buying the Kaunas card or including it into your ISIC card (only if you are getting a new one here).

You can charge up your ticket in kiosk close to the bus stops with the names *Lietuvos Spauda* or *Kauno Spauda*.

### **USEFUL APPS**

*Trafi*- shows you the timetables and real time arrivals of busses. It also has a route planner, showing you the best option to go from a to b.

*Žiogas*- it's an app for having your ticket on your phone. You charge it up and can start. After getting on the bus, scan the QR code on the composter and show it to the driver. And that's it.
