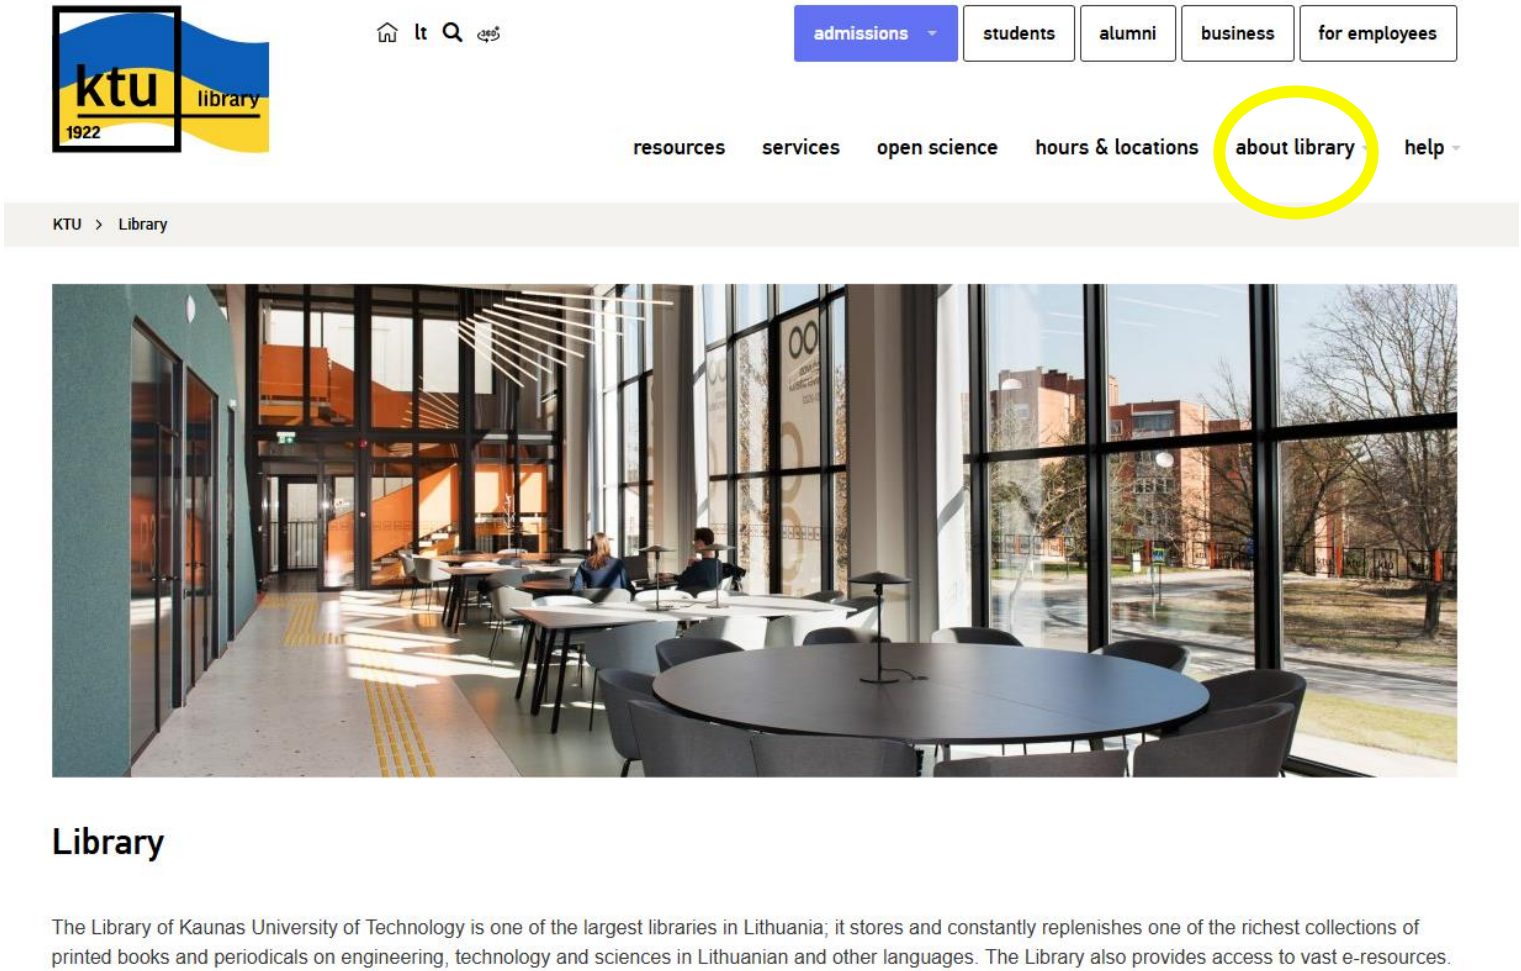
Information about library



The most convenient way to receive answers to questions you have, find necessary information resources.

library.ktu.edu

Library website https://library.ktu.edu

Library

The Library of Kaunas University of Technology is one of the largest libraries in Lithuania; it stores and constantly replenishes one of the richest collections of printed books and periodicals on engineering, technology and sciences in Lithuanian and other languages. The Library also provides access to vast e-resources.
