Tutorship

Academic mentorship

Career mentorship

KTU has six art societies. Join the fostering of national art, singing in a choir, photography, try acting, dancing or playing in a wind instruments band. Here, you will not only spend your free time meaningfully and improve your knowledge in the chosen field but will also have the opportunity to overcome stage fright, improve your oratory skills, develop self-confidence and make friends for life.

The entire KTU community has free access to the sports club at all times, which includes a free weights zone, boxing and TRX belt gyms, cardio and strength machines. An online reservation is required for those wishing to visit the gym.

We invite you to register and actively spend your free time!

Education at the University is more than just studies
- extracurricular activities help your personal
development, provide opportunities to improve and
to find new friends. Everything depends on you!
