HOW CAN YOU CONTRIBUTE

- By actively participating in focus groups and round tables arranged by your Faculty's Academic Processes coordinator;
- By submitting constructive criticism about modules and lecturers in forms at the end of the semester;
- By reaching out and consulting with us about dormitories, KTU facilities, finances, emotional health and anything you have any questions about;
- By sharing or even complaining about anything you think that would help us or the University improve for you or other international students. Your identity will not be disclosed when initiating changes you suggested, if you prefer;
- By being active, communicating with coordinators, FSA members, participating in meetings and events, and suggesting improvements, initiatives or event ideas!
