## Dear student,

I'm sending my warmest greetings as you embark on a new stage of your life's journey at Kaunas University of Technology - a phase full of challenges, but also deeply meaningful! Here, we encourage freedom of thought and self-expression, and we support one another in growing and improving. The large KTU community consists not only of students and lecturers, but also alumni, researchers, administrative staff, and mentors. All of these people will be by your side in the coming years to ensure your university experience is filled with positive emotions, the joy of achievements, and pride in overcoming challenges.

At Kaunas University of Technology, we believe that education is more than just the pursuit of professional knowledge - it is a holistic experience that fosters self-discovery, collaboration, and the realization of even the most unexpected ideas. By entering our lecture halls, you are joining a community of like-minded individuals united by a passion for technology, innovation, science, and a care for human well-being. Diversity, mutual respect, and the sharing of ideas are the foundation of our community. That is why I invite you to become part of KTU's student organizations and discover an activity that will enrich your student years with even more valuable experiences.

In the years to come, you will develop critical thinking, build technical knowledge, and enhance the creativity needed to meet the challenges of a rapidly changing world. Our study programmes, renewed learning spaces, and dedicated lecturers will support you on this journey and provide you with opportunities to realize your potential and achieve ambitious goals. Whether it's practical projects, interdisciplinary collaboration, or internships abroad - here you'll find many ways to broaden your horizons and lay a strong foundation for the rest of your life's journey.

Remember, your university years can be some of the most exciting in your life - so enjoy each day, each experience, and each connection as you build your relationship with your *alma mater*.

**Have a successful and exciting year at Kaunas University of Technology!**

Rector Prof. Eugenijus Valatka
