Procedure for guest visits

The guests can visit the dormitory from 8:00 to 00:00. The guests are registered in the guest book and receive their guest permit which they have to give back when leaving the dormitory. Dormitory residents of 2, 3 and 10 have to register a guest in the electronic journal.

At the resident's request and with the consent of the dormitory manager/administrator and other resident(s) of the room, the resident can have a guest stay overnight for five nights per month at most (two nights per month free of charge in total).

The requests regarding the overnight stay of the guests are submitted and approved in the Academic Information System (AIS).

Common areas

The residents can use:

- working/studying and bicycle storage premises 24/7;
- rest and recreational premises from 8:00 to 00:00;
- sports facilities and sports grounds near the dormitory from 8:00 to 00:00;
- self-service laundry rooms from 7:00 to 21:00; laundry rooms in the basement from 7:00 to 00:00.

The resident, who is using the inventory in the working, recreational, sports premises and sports grounds, is fully responsible for his/her safety.

Filling of the applications/requests related to the living at the dormitory
