Library website

The screenshot shows the KTU Library website. At the top left is the 'ktu library 1922' logo. To its right are navigation links: 'admissions', 'students', 'alumni', 'business', and 'for employees'. Below these are links for 'e-resources', 'services', 'research communication', 'hours & locations', 'about library', and 'help' (circled in orange). A breadcrumb trail shows 'KTU > Library'. The main section is titled 'Information resources search' and contains a search bar with the placeholder 'Enter name or phrase', a 'Find' button, and radio buttons for 'KTU Science Publications' and 'KTU Virtual Library'. A 'My Account' button is also present. To the right of the search bar, contact information is listed: 'tel. +370 (37) 300 655' and 'email biblioteka@ktu.lt'. Below this is a 'Let's talk' section with a WhatsApp icon. At the bottom of the main content area are four buttons: 'KTU Library room reservation', 'Training for students', 'Training for researchers', and 'Library ABC' (circled in orange). The footer features three image-based sections: 'For researchers' with a graph, 'For students' with a woman at a laptop (circled in orange), and 'For school children' with a classroom scene. Each section has a 'More' button.

Search anything

ADVANCED SEARCH

In the Kaunas University of Technology Virtual Library (KTU VB) you can search:

- printed resources: books, journals, newspapers and other publications;
- e-resources: books, articles (in subscribed and open-access databases);
- digitised documents;
- KTU scientific publications;
- final theses of studies;
- standards of Lithuanian Standards Board (LST);
- literature for course reserves.

Literature search in Course Reserves

Use the following options to find for literature in Course Reserves:

- enter the course name, code, instructor, etc. in the search box;
- use filters or advanced search options.

Where can I get help?

- [Ask for](#)
- [Registration for consultation](#)
- [KTU VB help](#)

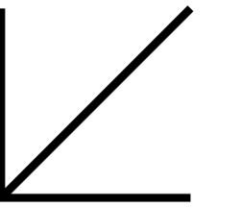

Signing in to KTU VB, you will be able:

- to request for items kept in the library;
- to renew the return date of borrowed items;
- to use resources that the library is subscribed to;
- to look through the list of your borrowed items;
- to save search results and requests;
- to assign tags to search results;
- to set automatic sending of news to your e-mail, etc.

- Search for books, articles, journals and other academic resources
- Access electronic resources anytime, both on and off campus
- Find required and recommended reading for your courses
- Renew borrowed books and see which items you currently have on loan
